

# LEISTON-cum-SIZEWELL NEWSLETTER AUTUMN 2013

## LEISTON CHRISTMAS FAIR SATURDAY 7th DECEMBER FROM 10AM TO 2PM AT THE LONG SHOP MUSEUM

The Long Shop Museum are inviting residents and visitors to join them on Saturday 7th December between 10am and 2pm for

Father Christmas will be arriving in Co-op Car Park around 9.30am when, along with his elves, he will board a tractor and trailer to travel in 'country style' along Sizewell Road, down the High Street and along Main Street to arrive at his grotto in the Long Shop Museum ready to hand out presents to all the good and well behaved children who come to visit him. Tickets for Santa are available on the day for a £2 donation.

There will be many seasonal attraction at the Museum including Christmas crafts for the children, jewellery making, tombola's, books and gifts, decorations and lucky dips, not forgetting the

'guess the weight of the Christmas Cake' and the Long Shop grand Christmas draw. Outside, emergencies permitting, the fire brigade will be here with their tender.

Leiston Works Railway will be able to update

*Continued on page 22 + details of Santa Competition!*

## Chairman's Communications

As I write it's a lovely sunny morning and it is difficult to realise that we are more than half way through November.

Guy Fawkes should now be resting but fireworks are still to be heard almost every evening. I am lucky that my two little dogs – Mr Darcy and Emma are not frightened by them but many dogs and cats are really scared and this makes life difficult for them and their humans.

I attended the Festival of Remembrance at the Film Theatre. Our Royal British Legion Band gave a superb performance and the two young soloists were amazing.

I was very impressed with the wonderful support that the Royal British Legion received for their parade on Remembrance Sunday. It was good to see so many very young people representing their various organisations and again it was a lovely bright morning but

with a definite chill in the air, so says someone who didn't wrap up warm enough! The church was full with standing room only.

Thinking of young people we, a few councillors and the town clerk, met up with around twenty five teenagers to ask them what they would like us to do regarding their skate park and leisure facilities.

Most of them had an input and they all agreed that they would dearly love to see their skate park updated and extended. It is, after all, now a few years old and things have moved on in this time and of course their skills have also increased!

They also stressed that they wanted to keep their leisure facility on one site. The girls would like a shelter where they can meet up and enjoy their girlie

chats and at the same time keep an eye on the lads!!

I felt that some of these young people will be representing us on the council in a few years time.

I understand that Father Christmas will be visiting the Long Shop Museum on 7<sup>th</sup> December. I look forward to seeing him there.

Fast forwarding to 2014, I am getting really excited about all that will be happening at our vibrant Film Theatre as it reaches its 100<sup>th</sup> Birthday year, wow, makes us feel quite young! Our streets may not be paved with gold but all roads will lead to our Leiston Film Theatre as we hurry to book up for many of the one hundred events that our manager Wayne Burns and his team have worked so very hard to come up with.  
100 events for 100 years.

Wayne is also very excited about their forthcoming celebrations and all that they have in store for us. It kicks off with the Wizard of Oz panto and if, like me, you still have not yet got your panto tickets, we need to get these very soon as we could be disappointed as they are selling out fast.

I have made a note to purchase my tickets next time I am in the town.

The new year would start off very badly for me if I missed out on our local panto as they are always excellent and great fun.

*Parade of Standards at this year's Festival of Remembrance*

On behalf of all our Councillors and our Town Clerk I would like to take this early opportunity to wish you all a Very Happy Christmas and a Healthy and Peaceful New Year.

Ann Nunn

**Saxmundham Health (SH) and Leiston Surgery**  
Bulletin for the Information of Leiston Residents  
Friday, 20 September 2013

**Saxmundham**

**Introduction**

Saxmundham Health have established a Patient Participation Group to represent patients' and give them a platform to express their views on the practice and enable the practice to disseminate news of their activities and developments to patients. In an extension of these intentions bulletins of this nature will be regularly provided to Parish Councils in order to reach the widest possible local audience.

**Care Quality Commission**

The practice was registered with the CQC on the 1<sup>st</sup> April 2013. CQC is the independent regulator of all health and social services in England and shall in future regularly inspect the surgery.

**Miscellaneous Surgery Services**

Instant Care – This is the initiative to train local people in home-care in order that those whose conditions do not necessitate hospitalisation can return to the comforts and convenience of their own homes as quickly as possible. The initiative is still Surgery-based and some 5 or 6 people have been trained but so far only two jobs of this nature have arisen.

**NHS '111' Service**

Whereas '999' remains the number to call if you have a life-threatening situation, '111' is the new number to call (24/7 and 365 days a year) if you require fast medical attention out of surgery hours. A survey of this new service was expected to have been carried out by now but has been delayed due to the regional Project Team not having yet made their presentation to SH. However, a special meeting with the 111 Project Team took place on Wednesday 30<sup>th</sup> October at the health centre but the results were not available by the time we went to press.

**Triage**

A new Triage system is to go into effect at the 1<sup>st</sup> October 2013. The purpose is both to enable the surgery to prioritise patients' problems and improve their access to an appropriate clinician. For same day appointments patients should ring the surgery between 8am and 10am.

### **Flu Jabs**

With winter on the way the surgery is again offering free flu jabs to elderly patients and those others with certain conditions. Please refer to the Notices on local parish notice boards in this respect.

### **Congestion and Space**

In an otherwise excellent Patient Satisfaction Survey patients have made plain their concerns over congestion in the waiting and dispensary areas. In this respect SH are in communication with Hopkins Homes and the Town Council for money and permission to extend to a second floor.

### **Representation & Communication**

For anyone interested in contacting the Patients Participation Group its members are as follows:

Dr. Hilary Graham (Chairman), David Sears (Secretary), Roger Plant (Treasurer), **Bing Boast (Leiston Town Councillor)**, Guy Baly, Olive Bolton, Angie Eves, Susan Major, Bob Perrett and Terry Ward.

## **Patient Participation Group for Leiston Surgery**

The **patients group** at the Leiston Surgery is a way for patients to forward their views on to their GP Practice.

The group can help in decision making to highlight improvements needed to improve services and can also evaluate responses to the National Health Services Primary Care Structures.

If anyone can see where improvements are needed or if you have any feed back - good or bad - on the services provided by the Surgery, 111 or Ambulance Services the Patients Participation Group can provide a useful link as they have regular meetings with the Surgery Practice Manager.

For information or to find out how to make use of the Group please make contact with me Colin Ginger.

***Colin Ginger** is a member of both the Town Council and the Patients Participation Group.*

To find out more about Aldeburgh's PPG please contact the surgery on 452027. The Practice manager at Aldeburgh is Mrs Christine Baker.

Healthwatch Suffolk is local voices influencing and shaping local health and social care services. It finds out what you think about your services and then uses those views to shape and improve them because the best services are built around the needs and experiences of the people that use them. It will also provide information and signposting to help you navigate the health and social care system and understand what to do when things go wrong.

As a powerful and independent consumer champion, Healthwatch Suffolk has the strength of the law and the national influence of Healthwatch England behind it.

**How can you be involved?**

You can become a member for free and receive the newsletter. Most importantly however you can tell Healthwatch Suffolk about your experiences of health and social care services so that it can challenge them or encourage continued good service. It is independent which means you can have confidence and be honest when sharing your views. You do not have to be a member to comment.

Healthwatch Suffolk has been given the role to listen and the power to significantly influence change within the health and social care system. To find out more and have your say now you can contact the team on 01449 703949, follow Healthwatch Suffolk on Twitter (@hwsuffolk), visit [www.healthwatchesuffolk.co.uk](http://www.healthwatchesuffolk.co.uk) or send an email to [info@healthwatchesuffolk.co.uk](mailto:info@healthwatchesuffolk.co.uk).

You can also send Healthwatch Suffolk your views by Freepost (no stamp required). Simply write the following address onto your envelope and post it.

Freepost RTEC-ZGLG-GYLE  
Healthwatch Suffolk  
12&13 Norfolk House  
Williamsport Way  
Needham Market  
IP6 8RW

Many residents will remember PCSO's Phil Marshall and Fiona Sharp who left us in the summer for pastures new. Phil has now been commissioned into Suffolk Police Force as a Constable at Ipswich and Fiona has changed careers and is currently in Higher Education.

Two new guys have taken to our streets though and are really pleased to be in the town doing the job. They are pictured above with Terry who has been part of the team now for the last 5 years and is acting as their mentor for their first few weeks.

Sam and Ben are now thoroughly familiar with the town and would want you to contact them if there is anything at all you would wish to discuss. Just ring 101 and ask for the Leiston Safer Neighbourhood Team and if they are not on duty, leave them a message and they will contact you on their return. Alternatively call into Leiston Police Station.

John Rayner

Pa

## EMERGENCY TEXT MESSAGE ALERTS

The Cabinet Office has very recently conducted an experiment in Leiston of sending texts to residents phones via the various mobile service providers to evaluate using that system in the event of an emergency.

During an emergency, such as an extreme weather event or an act of terrorism, it is vital that emergency responders can contact affected members of the public in order to provide them with important, potentially lifesaving information. Around 92% of the UK population owns a mobile phone. The government is working in partnership with the mobile industry and local responders to evaluate the usefulness of an alert system that would target affected members of the public via their mobile devices.

To evaluate the usefulness of mobile alerting they sent a number of test messages to all phones in Leiston on Wednesday, 20th November. You may have received these messages and they are interested in your reaction. If you did not receive these messages, they would still like to find out what you think about the use of mobile phones to send emergency alert messages and whether the messages are understandable and helpful. Any data you provide will be kept confidential and anonymous in accordance with the 1998 Data Protection Act. At no point will any data be associated with your name or identity.

Please either take a survey at;

<http://www.hpa-surveys.org.uk/TakeSurvey.aspx?SurveyID=Suffolk>

Or you may be able to scan the code below with your smartphone.

If you have any questions or concerns, please call 020 7276 5030 or e-mail [public.alert@cabinet-office.x.gsi.gov.uk](mailto:public.alert@cabinet-office.x.gsi.gov.uk).

The War Memorial at Leiston Cemetery - please see overleaf.

**DID YOU HAVE AN ANCESTOR WHO LOST HIS LIFE WHILST SERVING DURING THE 1ST WORLD WAR?**

We are gathering information for a memorial book to honour servicemen who were either born, lived or worked in Leiston. If your ancestor's name appears on the wall of the chapel in Leiston Cemetery commemorating those who died during the Great War (see list below) we would be grateful to hear from you.

Please contact members of the Alde Valley Suffolk Family History Group:-

## Sluice Cottages Minsmere

This picture shows one of the **Sluice Cottages** that were situated just South of the **Sluice Well** at Minsmere.

My Paternal Grand parents, between the two wars, had to vacate the Eels Foot Public House at Eastbridge due to trading difficulties. They next moved next to my Maternal Grand Parents at Carrs Cottages in Leiston where my Parents were first acquainted and, after a short spell The Ginger's and their family then moved to the Sluice Cottages from where my Grandfather cared for operations at the Sluice.

During the Second World War my Grand Parents, along with other residents, were evacuated from the properties and the military used the houses for target practice. They were then knocked down after hostilities ended.

My cousins tell me that one of my uncle's ashes have been scattered close to where the houses were. There are some old footings still visible just beneath the over growth.

Over the page you will see two photographs of a **Café** that was

sited just to the south and at the bottom of the Minsmere Cliffs (now a National Trust car park). The café was owned and managed by Mr Sprunt of Westleton between the two World Wars. The top picture shows one of our residents, Tony Sprunt, as a young lad sitting on the counter with his

father. This Café burnt down though at some stage and another was built (below).

Colin Ginger.

Many thanks to Frank Huxley, Jim Drane (MBE) and Tony Sprunt who helped with information. If you have any historical photographs you think may be of interest and you wouldn't mind sharing please get in touch.

### **News from the Library**

There are 44 Libraries in Suffolk which as well as offering a huge range of books also offer a range of other services and activities.

In **Leiston** as well as books and audio books you can also hire CD's and DVD for a small charge. You can get online for free in all libraries, ideal for filling out job applications or keeping in touch if you've not got a computer at home and, since the 24<sup>th</sup> October 2013, Leiston Library now offers free Wi-Fi. Leiston Library also has a Bookstart session (Pre-School) every Thursday morning at 10:30am. We also provide free Bookstart packs for babies and three year olds.

The Library is a great place for the community to come together to share information and even if you can't get to your nearest library easily, it can come to you!

The mobile library visits 200 villages and hamlets with 475 stops in Suffolk. Each stop is visited every four weeks. There is also an At Home Library Service which involves volunteers delivering books to people who find it difficult to get to a library or a mobile library stop, usually because they are older or disabled.

You can access and browse the full library catalogue by visiting [www.suffolklibraries.co.uk](http://www.suffolklibraries.co.uk) and we even offer access to a range of free eBooks and eAudio books. It is free and easy to sign up to be a library user and if you have any queries about any of our services or activities you can find plenty of information on our website or call Suffolk Libraries on 01473 584563.

All Suffolk's library services are now run by Suffolk Libraries IPS which is an independent and charitable organisation supported by the County Council. **Leiston Library** now has its own friends group which is supported by Leiston-cum-Sizewell Town Council. The group is always looking for new members, so if you would like to get involved with supporting you local library please call **01728 831252** or pop into the library for more details.

You can also follow Suffolk Libraries on twitter @SuffolkLibrary or Facebook at <http://facebook.com/suffolklibraries> to keep up to date with news and activities and you can sign up to our newsletter on our website.

### **Galloper Local Liaison Committee**

The inaugural meeting of the Galloper Local Liaison Committee (LLC) took place on Thursday 10<sup>th</sup> October 2013 at the Leiston-cum-Sizewell Town Council Chamber and was attended by representatives from Galloper Wind Farm Limited (GWFL), Suffolk County Council (SCC), Suffolk Coastal District Council (SCDC) and Leiston-cum-Sizewell Town Council.

The LLC will provide the key forum where community representatives can meet with GWFL (Galloper Wind Farm Limited) and their construction contractors to discuss the project and review any issues that have arisen. The LLC will also provide an opportunity to preview the forthcoming programme of works.

The Secretary of State for Energy and Climate Change granted development consent for the Galloper Wind Farm on 24 May 2013. Galloper is an extension to the Greater Gabbard Offshore Wind Farm which was officially opened on 7 August. It is located approximately 27 kilometres off the Suffolk coast at its nearest point. The power cables come ashore at Sizewell where they connect to the National Grid.

The project enabling works, which include landscaping, fencing, drainage, archaeology and the construction code of practice, have been approved by SCDC.

GWFL reported that construction of the main onshore works is currently planned to start in February 2014 and last until 2016. The offshore construction is currently planned to start in 2015 and last until 2017/18.

Ecology works have been undertaken at the onshore site over the summer. This has included installing reptile fencing, measures to improve reptile habitat, translocating more than 80 reptiles to an area where they will not be disturbed by construction works. Tree felling has also been carried out to reduce any potential for bats to be disturbed during construction works and bat boxes have been installed.

The Galloper Wind Farm is being progressed as a 340MW nominal capacity scheme rather than the 504MW scheme originally proposed. This means that some plant can be accommodated within the existing substations (on the left as you approach Sizewell Gap). Other plant can be accommodated in a smaller compound to

the east of the existing substations. The new compound will be known as the Eastern Super Grid Transformer (SGT) and planning permission will be needed for this.

A reduction in nominal capacity and the proposal for the Eastern SGT could mean that the 'Leiston B' substation which was proposed in Sizewell Wents woodland will not be required and that only a small area of woodland would need to be felled. In addition, the haul road around the south of the site boundary and the eastern sealing end compound will no longer be required. The landform which limits views of the Galloper substation from the surrounding area would not be affected by the changes.

GWFL will apply to SCDC in Quarter 4 of 2013 for a Scoping Opinion as to the information to be included in the Environmental Statement for the Eastern SGT. Public exhibitions will be held prior to submission of a planning application to inform the local community of their plans for the revised onshore layout. A planning application for the ESGT will be submitted to SCDC in Quarter 1 of 2014 and will be supported by an Environmental Statement. Construction of the ESGT is expected to start in summer 2014.

Further information on the Galloper Wind Farm can be found at:

<http://www.galloperwindfarm.com/>

Andrew Nunn

## **Home-Start Suffolk Coastal Could you be a Home-Start Volunteer?**

Home-Start Suffolk Coastal is a charity which has provided support to families locally for over 14 years. We support families who have at least one child under 5 and for whom life is an uphill struggle. Over the past year we have supported over 80 families for many different reasons including families where there is illness or disability, families experiencing mental health issues or feeling isolated and families who have twins or triplets.

Support is provided by volunteers who are parents themselves or have parenting experience. Before visiting a family, volunteers attend a preparation course to look at their own experiences and cover subjects such as child protection and local facilities for young families. They are then matched one to one with a family to offer whatever help is needed, a confidential listening ear, an extra pair of hands and eyes, time to spend with the children or support through a difficult time.

Once matched with a family, volunteers receive ongoing support, training and expenses.

The course is OCN level 1 or 2 accredited. We offer either a one week course (Mon-Fri) or a course which is held one day a week over a 9 week period.

If you would like to find out more please ring Louise or Sarah at Home-Start Suffolk Coastal on 01394 389402 or visit

[www.homestarteastsuffolk.org](http://www.homestarteastsuffolk.org)

### **Fairtrade Town Signs**

You may have noticed the new Fairtrade Town signs as you approach Leiston from all directions. The Fairtrade Town Steering Group are very pleased with these and feel that they will help to publicise the town's Fairtrade initiative.

We will have a Fairtrade Tombola stand at the Christmas Fair and look forward to seeing you there.

Ann Nunn

Regulations decree that this decision notice has to be brought to the attention of all who live, work or carry on business within the neighbourhood area.

**Suffolk Coastal District Council**

Melton Hill, Woodbridge, Suffolk IP12 1AU

Website: www.suffolkcoastal.gov.uk

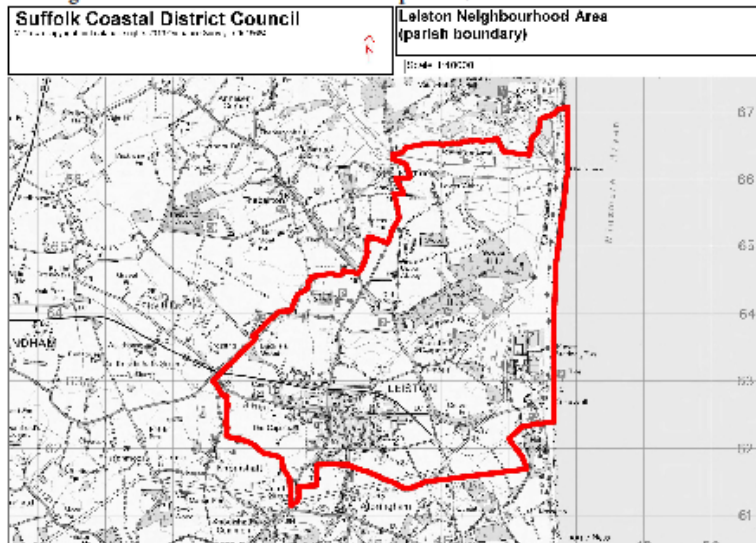

**NEIGHBOURHOOD PLANNING NOTICE**

**The Neighbourhood Planning (General) Regulations 2012 (Article 7)**

In accordance with the above Regulations, notice is hereby given that Suffolk Coastal District Council has **APPROVED** the following neighbourhood area:-

**Name of neighbourhood area**      **LEISTON**  
**Name of "relevant body"**        **LEISTON TOWN COUNCIL**

The neighbourhood area is identified on the map below.

Signed

Date: 29/10/2013

A handwritten signature in black ink, appearing to read 'Philip Ridley'.

**Philip Ridley - Head of Planning & Coastal Management Services**

Volunteers who undertook to produce a Neighbourhood Plan for Leiston are well advanced now and thank everyone for their contribution at the recent Show Me event on the recreation ground. The next step will be to put together a skeleton plan for comment.

you on their fantastic achievements so far as well as their future plans. Aromas from the mulled apple juice and mince pies are sure to get the taste buds in the mood for Christmas too. The butchers in town will be holding sausage tastings and freshly made burgers will help both warm and fuel you to dance along to the disco in the Long Shop's top car park. Clog dancers Barley Brigg will be performing during the day to keep you entertained, the Leiston Band will be performing Carols

for you to sing along to and Cheeky the Chimp will be walking down to the Long Shop from the Film Theatre between 11am and 12noon. The Leiston Business Association and it's members are organising a **competition to find Father Christmas** around town with two lucky winners receiving portable DVD players donated by EDF Energy and a consolation prize for all entrants. Whilst visiting the local shops, look out for pictures of Father Christmas hiding in the windows and complete an entry form which you can pick up in various shops or at the LBA stand on the day. All forms will need to be handed into the stand by 1.30pm for the prize draw. Long Shop calendars will be on sale, so if you need a present for that 'hard to buy for' relative, give them something they can enjoy all year, or purchase some of the lovely local crafts and produce from independent shops in the town or stalls at the Fair.
