

Notes of the Open Spaces Committee Walk Round Victory Road Recreation Ground 11 April 2018 – 5pm

Those present: Cllr Bill Howard
Cllr Colin Ginger
Cllr Bing Boast
Cllr John Last
Cllr David Bailey
Cllr Selena Levermore
Mr John Rayner - Clerk
Mrs Caroline Rinder – Deputy Clerk

Apologies: Cllr Lesley Hill

Councillors were pleased with the new shelter and slabs for the boules piste and noted slabs would be laid from the shelter to the edge of the piste when the ground dried up from the recent heavy rain to finish the project.

The skatepark is still very popular with young people. It was noted a code of conduct sign was missing from the back end of the skatepark and Mrs Rinder will arrange for a new one to be put up.

Cllr Ginger asked if the signage for the younger children's play area could be changed to reflect Leiston Town Council ownership.

Councillors were disappointed with the level of litter around the park, in particular near the skatepark, but were unsure how best this could be managed further. Cllr Levermore asked if the park benches could be cleaned of any green mould and also asked if more crocus bulbs could be planted on the grassed verge alongside the road side.
